Hello!

The Grade 1 teachers are requesting your help!

On our school supplies list, we ask for two pencil cases that have two separate compartments in each. If you could please help us by organizing the two pencil cases in advance, it would be greatly appreciated.

Pencil Case #1 (coloring case)

1st compartment

Wood coloring pencils (sharpened)

2nd compartment

Markers (wide-tip)

*Thin-tip markers should be placed in the Ziploc bag with all the extra supplies (see below)

Pencil Case #2 (writing tools)

1st compartment

3 pencils (2HB, sharpened)

1 eraser

1 yellow highlighter

1 erasable marker (black or blue)

2nd compartment

1 glue stick

1 pair of scissors

1 pencil sharpener

All other pencils, glue sticks, erasers and thin-tip markers should be placed in a large Ziploc-style bag.

Please label everything and put the 2 pencil cases, notebooks, duotangs and all other school supplies in your child's school bag on the first day of school.
